

Evergreen Christian School Vision Statement

Evergreen Christian School is founded on the principles of sound Christian theology as revealed by the eternal, triune God in His errant Word (the Bible). All decisions and relationships involving Evergreen Christian School, both professional and personal, should be guided as such – welcoming all professing Christian parents/guardians and their children.

Our highest priority is to see our children independently make a genuine commitment to receive God's free gift of salvation through Jesus Christ and therefore growing in their love for, worshiping, and joyfully following Him for the rest of their lives. We believe that this model – private, family-centered Christian homeschool education – is ONE of the key ways to cultivate our children's faith.

Evergreen Christian School believes that our faith and the exclusivity of Christianity should not be compartmentalized, and therefore should be living, breathing essence of all walks of life: educational, professional, personal, financial, and relational.

Evergreen Christian School's academic philosophy is to develop each student's walk with Christ appropriately rigorous and engaging instruction and assessment.

Evergreen Christian School is primarily a ministry. We are dedicated to respectful, constructive protocol as well as deliberately fostering meaningful relationships between parents/guardians and their students, in all endeavors. Evergreen families are encouraged – as the Lord leads them – to use their time, talents, treasures, and prayers to support the ministry and each other.

Evergreen Christian School will remain entirely private and self-supporting in its finances. This will help ensure autonomy on all levels of administration.
